QUATRO MEDIA  
Advertising & Digital marketing

# INSTAGRAM PACKAGE

WE WORK ON PROFESSIONALLY & COMPREHENSIVELY  
MANAGING YOUR ACCOUNT

We create a business page on Instagram & provide numerous features for individuals & companies alike.

It is a dedicated platform for commercial use, allowing you to showcase information and services related to your business.

It enables you to access extensive analytical insights into the performance and reach of your business.

This is achieved through the use of marketing content and hashtags that enhance its visibility and reach to the target audience.

## WE WILL START BY:

- Creating a professional business page or taking over an existing page and converting it into a business page in a professional manner.
- Communicating with the client via email or WhatsApp, based on their preference, to obtain approvals for publishing on the page.
- Managing paid advertisements to reach the targeted customer segment using the latest available methods for precise targeting based on: Country, City, Region, Age, Gender, Interests, Artificial intelligence

**QUATRO MEDIA**  
Advertising & Digital marketing

# FACEBOOK PACKAGE

WE WORK ON PROFESSIONALLY & COMPREHENSIVELY  
MANAGING YOUR ACCOUNT

Creating a business page on Facebook offers numerous features & benefits for businesses. It is one of the largest social media platforms in the world, allowing you to share your business content widely by targeting specific audience interests. It provides extensive analytics on the performance & reach of your business page. You can easily promote your products or services with professionalism by creating purposeful marketing content. Additionally, you have the option to create a small shop on the platform to showcase your products or services.

## WE WILL START BY:

- Creating a business page or taking over an existing page & converting it into a professional business page.
- Communication with the client will be done via email or WhatsApp, based on the client's preference, to obtain approvals for publishing on the page.
- Managing paid advertisements to reach the targeted customer segment using the latest possible methods to achieve the appropriate targeting based on:  
Country, City, Region, Age  
Gender, Interests, Artificial intelligence
